

# The Importance of Utilizing Diabetes Prevention Programs

## QIN-QIO Regional Support and Sharing Call

**REGISTER NOW**

**Wednesday, November 18, 2020 / 2:00 - 3:00 p.m. ET**

Join Quality Insights for an innovative look at how the National Diabetes Prevention Programs are utilized and tracked throughout Pennsylvania and West Virginia. This webinar will bring awareness to healthcare providers, partners, and stakeholders about the recommendations on screening, testing and referring to National Diabetes Prevention Programs. Please contact [Dawn Strawser](#) with any questions about this event.

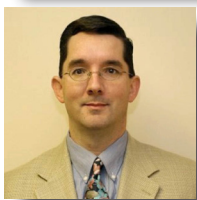

Our guest speakers will include:

**Adam Baus, PhD, MA, MPH**  
Research Assistant Professor
