

Unite West Virginia: Building Connections for a Healthier West Virginia

QIN-QIO Regional Support and Sharing Call

Wed., August 18, 2021 / 1:00 - 2:00 p.m. ET

REGISTER NOW

Unite West Virginia is a coordinated care network of health and social care providers. Partners in the network are connected through a shared technology platform, **Unite Us**, which enables them to send and receive electronic referrals, address people's social needs, and improve health across communities.

Join us on Wednesday, August 18, 2021 at 1:00 p.m. ET, as we introduce Unite West Virginia and its goals to help community-based and non-profit organizations build and scale coordinated care networks, track outcomes, identify services gaps for at-risk populations and empower members of the community to take ownership of their health.

Unite West Virginia's Abi Bussone, Network Growth Manager, and Devon Lopez, Community Engagement Manager, will serve as presenters on this call. Please contact [Natalie Tappe](#) with any questions about this event.
