

# Plan for the Future - Use of On-site Dialysis in Nursing Homes

Learning & Action Network Webinar Meeting

[Add to Your Calendar](#)

**Thursday, February 18, 2021 / 2:00 - 3:00 p.m. ET**

Join us on Thursday, February 18, 2021 at 2:00 p.m. ET, for a presentation by Rich Fatzinger, Senior Director of Skilled Nursing Dialysis for NxStage Medical. After listening to his presentation, you will be able to explain the benefits of on-site dialysis for your residents and facility; describe the roles and responsibilities for your facility and the dialysis provider; and discuss key considerations for your facility as to if, and how, on-site dialysis is pursued.

If you are a physician, nurse, office manager or other health care team member who engages in healthcare quality improvement, we encourage you to register today for this informative program.

**This webinar will provide 1.25 free nursing contact hours for attending the session and successfully completing a post-test with evaluation.**

Please contact [Dawn Strawser](#) with any questions about this event.
