Wednesday, January 20, 2021 / 2:00 - 2:30 p.m. ET

Join us on Wednesday, January 20, 2021 at 2:00 p.m. ET, for a presentation by Jennifer Drake, Account Executive for the Independent Living Services/United Disabilities Services. After listening to her presentation, you will be able to discuss the importance and development of specialized in-home programs, including the benefits to both patient and family; explain how hospital tracking can benefit your patients; and describe two ideas to implement specialized programs during a pandemic.

If you are a physician, nurse, office manager or other health care team member who engages in healthcare quality improvement, we encourage you to register today for this informative program.

This webinar will provide 0.5 free nursing contact hours for attending the session and successfully completing a post-test with evaluation.

Please contact [Dawn Strawser](#) with any questions about this event.
